

# MAY DAY!

# MASK OFF

## MAY 1ST, 2021

### burn baby burn...

#### *Facts:*

- 1) Masks do not protect you from coronaviruses.
- 2) Wearing masks lowers your oxygen intake which compromises your immune system.
- 3) Wearing masks increases your chances of contracting bacterial pneumonia, throat cancer and many other ailments.
- 4) Wearing masks have a negative psychological effect making your a herd animal. This is permanently damaging our children's development, who learn about human interaction by looking at faces.
- 5) Every human has the God-given right to **BREATH FREELY!**
